UNITED STATES OF AMERICA
Plaintiff/Appellee **Case 12-1320**

vs

Denny-Ray: Hardin
All rights reserved UCC 1-308
Appellant

“One supreme Court”
Article 3,

DEMAND FOR TERMINATION OF APPOINTED PUBLIC DEFENDER

I, Denny-Ray:Hardin, FOR THE RECORD YOUR HONOR: I am a Man, living upon the land and speaking as only a Man can. I was created in the image of Yashua under the authority of the redeemer, Jesus Christ with all of My senses intact. I am entitled to competant legal assistance on appeal; especially the first appeal where this stage is commonly referred to as an “appeal as a matter of right”. As this court seems to be continuing on the “denial of due process” and “conspiracy against rights” against Denny-Ray by appointing a public defender that has already shown clear bias and prejudice ,and is not competent counsel ; I , Denny-Ray demand appointment of counsel be terminated immediately and I will proceed sui juris. My attorney-in-fact will be retrieving the certified transcripts and legal files from the district court reporter Cathy Calvert to deliver to me so I can

complete my brief. I have informed this court of the clear bias and prejudice of the Kansas City's Public Defenders Office in regards to me; Denny-Ray ;and this cause ,and this court has now proven the collusion of "conspiracy against rights" against Denny-Ray by not appointing counsel from the Criminal Justice Act Panel who is knowledgable in appellate procedure. Appointment of Miss Burns from the public defenders office clearly show conspiracy against rights 18 USC 241 to cover up the crimes that have already been committed against me by the collusion of prosecutor Brian P. Casey, prosecutor Patrick Daly , appointed Public Defender Anita Burns , the district court, and apparently now the court of appeals. I, Denny-Ray:Hardin will proceed on my own as I have no doubts I can complete the brief required as I have already completed a petition for writ of certiorari that has been accepted and docketed by the supreme court for the united States of America. Response to the certiorari for the actions already committed against me ;by both the appeals court in the 8th circuit,and the district court is due by April 6, 2012.
