

There is a way to not be bound by this or any other contract that you did not enter willingly, knowingly, without disclosure, nor to held liable for any compelled benefits that you have received. Under the Uniform Commercial Code 1-308 lies your remedy and is in harmony with Common Law. This is the codified version of the old Law Merchant that was used since time immemorable. Some say it only deals with finance, but not so. Since all courts deal in Admiralty Jurisdiction today, and all "charges" are compelled performance of contracts (statutes) that have been "broken", the remedy is to file an Affidavit of Reservation of Rights under UCC 1-308. It is so powerful that it actually can be used to move you from the Democracy (Under the US Govt Inc., i.e. a US citizen/United States citizen, 14th Amendment citizen), back under the Republic i.e. a "natural Citizen of the Republic or a state Citizen. Notice Citizen vs citizen. You discern which is the slave and which is the Sovereign. Also, another "protection" is to file a 15 Statute at Large which will expatriate you back into the Republic as well. 15 Statute at Large was passed by Congress on July 27th, 1868, the eve of the 14th Amendment passing...Wonder what/why was going on??? Why did Congress feel the need to almost emergency pass this Legislation??? It has never been repealed and stands in effect to this day,although it is not listed "in the books" any longer. Wonder why??? Go ahead and google it or go to [www.coppermoonshinestills.com](http://www.coppermoonshinestills.com) and click the section entitled BEAT THE LAW "How to get Diplomatic Immunity". Look on the left hand side. Scroll down the menu toward the bottom, you'll see it. Here lies your salvation and your remedy against this Draconian system under the Admiralty Courts and the Democracy/US Govt Inc. While you're there browse around a while and if you run into my ole' buddy the Colonel, tell'em Stan said Howdy! Hope this helps, and long live the Republic!
