Criminal Action No.
10-00131-01-CR-W-FJG

ORDER

On May 24, 2010, I entered an order prohibiting Defendant from using the telephone to speak with anyone except the Federal Public Defender’s Office and having contact visits with any outside visitors (Doc. No. 20). This order was necessitated due to Defendant’s continued filing, or causing to be filed, of pro se motions including documents that purported to create a fiduciary relationship between Defendant, Chief Judge Gaitan, Warden Shelton Richardson, Daniel Tangherlini, Janice Lambert, Ellen Fine Levine and myself. During the September 9, 2010 competency hearing, Defendant assured me he would no longer file, or cause to be filed, any pro se documents while he was represented by counsel. Accordingly, it is

ORDERED that the prohibitions on Defendant’s phone use and contact visits shall be lifted.
