UNITED STATES OF AMERICA

Plaintiff/Appellee

Case 12-1320

vs

Denny-Ray: Hardin
All rights reserved UCC 1-308
Appellant

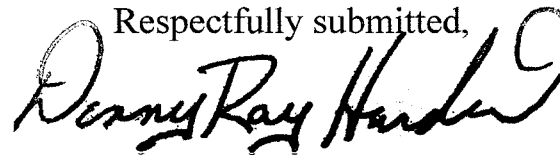

**“One supreme Court”
Article 3,**

DEMAND FOR APPOINTMENT OF COUNSEL

I, Denny-Ray:Hardin, FOR THE RECORD YOUR HONOR: I am a Man, living upon the land and speaking as only a Man can. I was created in the image of Yashua under the authority of the redeemer, Jesus Christ with all of My senses intact. I am entitled to legal assistance on appeal; especially the first appeal where this stage is commonly referred to as an “appeal as a matter of right”. As I am proceeding *in forma pauperis*; I demand appointment of counsel in accordance with the 6th amendment to the constitution for the united States of America; Federal Rules of Criminal Procedure Rule 44 and 18 USC 3006A. I have informed this court of the clear bias and prejudice of the Kansas City’s Public Defenders Office in regards to me; Denny-Ray:Hardin and this cause ,and I demand appointment of counsel by an attorney from the Criminal Justice Act Panel who is

knowledgable in appellate procedure, and not an attorney from the public defenders office. Appointment of an attorney from the public defenders office would clearly show conspiracy against rights 18 USC 241 to cover up the crimes that have already been committed against me by the collusion of prosecutor Brian P. Casey, prosecutor Patrick Daly and appointed Public Defender Anita Burns. I, Denny-Ray:Hardin am not now nor have I at any point in time ever waived my rights secured by the 6th amendment to counsel.

Respectfully submitted,
