

Letter from Melinda:

To all Denny's principles, as you all know Denny has been incarcerated I am confident I will have him out soon. Just to put everyone's mind at ease; it has absolutely nothing to do with his bank, or bonds. I will continue to back his bonds 100% until he is released, so please keep forwarding all correspondence to us, for us to respond to. As you all know with Denny not here no new bonds can be sent out; hence no income to continue the fight. I will do my best to continue the fight, but with limited income, I can only continue until it is gone. I have almost depleted all my funds, and once they are gone it's in God's hands until Denny comes home. If anyone would like to help with a donation to continue the fight, please make them payable to Melinda Harrington, or leave them blank. I want to thank each + everyone of you for all your support + prayers. God Bless you all!
GODS WILL BE DONE!

Melinda
