

"History of Corruption"

Since the founding of our Nation, attorneys have sought power over the people of the United States of America. Attorneys create laws, then force our "Peace Officers" to enforce their codes, rules and regulations and attorneys sit in judgment of those who violate their creation. All attorneys are united in their conspiracy to violate the "Constitution of the United States of America" by holding "Titles of Nobility" of "Esquire". On January 31, 1865 the House of Representatives unlawfully replaced the Original 13th Amendment (that denied "Titles of Nobility" to hold public office) thus illegally seized the power of the United States of America to present day. This is why those in government hate Donald Trump, because he is not an attorney. Attorneys' conspiracy is to control every office of government, then institute communism whereby they are the ruling class. Consider the following:

President of the United States

Joseph Robinette Biden, Jr. BAR Attorney

Vice-President of the United States
Kamala Devi Harris, BAR Attorney

Chief Justice of the United States Supreme Court
John Glover Roberts, Jr. BAR Attorney

Speaker of the House of Representatives
Nancy Patricia D'lesandro Pelosi, BAR Attorney

Majority Leader of the United States Senate
Charles Ellis Schumer, BAR Attorney

Chairman of the House Judiciary Committee
Jerrold Lewis Nadler, BAR Attorney

United States Senate Committee on the Judiciary
Richard Joseph Durbin, BAR Attorney

House Intelligence Committee
Adam Bennett Schiff, BAR Attorney

Director Federal Bureau of Investigation
Christopher Asher Wray, BAR Attorney

Attorney General / Department of Justice
Merrick Brian Garland, BAR Attorney

By stealing the election of 2020, by "voter fraud" Attorneys were able to carry out their "Treason" to the "Constitution of the United States of America" by violation of the original 13th Amendment.

"Constitution of the United States of America"
Original 13th Amendment

"If any citizen of the United States shall accept, claim, receive or retain any title of nobility or honour, or shall without consent of Congress, accept and retain any present, pension, office or emolument of any kind whatever, from any emperor, king, prince or foreign power, such person shall cease to be a citizen of the United States, and shall be incapable of holding any office of trust or profit under them or either of them."

The original 13th Amendment was passed and ratified in 1819 and widely published in the printings of the "Constitution of the United States of America". Though it has slept for over 200 years it still has the same force and effect of a Constitutional Mandate. Ignorance of the law is no excuse for BAR Attorneys.

Whether Democrat or Republican all BAR attorneys are loyal to a "Foreign Power" known as the "British Accredited Registry" also known as the "BAR Association" that violates our Constitution by issuing "Titles of Nobility".

"Constitution of the United States of America"
Article I, Section 9.

"No title of nobility shall be granted by the United States;..."

Article I, Section 10.

"No state shall... grant any title of nobility."

Since the United States government is prohibited to issue titles of nobility and every state is not allowed to grant any title of nobility it is clear the "British Accredited Registry" can only be a "Foreign Power" with its "Foreign Agents" conspiring to seize our government with the purpose to gain and maintain power over the people of the United States. BAR Associations are established in every State of our Nation and have corrupted all of our "Public Offices" that they control. BAR Associations are established in every country of our world.

BAR Association Attorneys control our City, County, State and Federal government "Public Offices". In our "Republic", our forefathers created a system of checks and balances whereby there are three independent branches of government. The Legislative, Executive and Judicial Branches. The Legislative Branch creates the law by passing the House of Representatives and Senate. Then it is sent to the Executive Branch where the President has the power to sign it or veto it. Once signed it is up to the Judicial Branch for enforcement or repeal based upon compliance with the Constitution. This is the key to our Republic, no branch of government has total authority over the American People. This is also the key to the corruption of our government whereby a "Foreign Power" is controlling all three branches to violate the "Constitution of the United States of America".

By "Chief Design" the United States Supreme Court has the responsibility to enforce the Constitution of the United States of America in every Court within the United States of America. By the BAR controlling all three branches of government the conspiracy against our

Constitutional rights and protection of law the hostile take over of our government has been achieved. The law is clear, BAR attorneys can break the law without accountability while the American People are accountable to corrupt BAR Judges, thus the two tier Justice System. In the Courts of the United States of America only BAR Attorneys are heard, while those among us, who are knowledgeable of the law are ignored, denied, dismissed, persecuted and railroaded to prison. BAR Associations have a "Monopoly" on every court within the United States of America. Every Court is controlled by BAR Attorneys, the Bench, the prosecution and the Defense.

The United States Supreme Court is responsible for the current state of corruption in our Courts. Every year the United States Supreme Court receives thousands of complaints of Constitutional Rights Violations. It is the responsibility of the United States Supreme Court to hear every case of Constitutional Rights Violations and make a lawful determination of each and every one. Today the United States Supreme Court picks and

Chester what cases they will hear and Alucha
 their responsibility on the rest. By this
 "Common Practice" the United States Supreme
 Court allows Judges and BAR Attorneys who
 violate Constitutional Rights to continue their
 criminal conduct without accountability. If
 a judge is found to have violated the
 Constitutional Right of a Defendant, that
 judge has committed the crime of "conspiracy
 against rights" 18 U.S.C. 241, "Deprivation of rights
 under color of law" 18 U.S.C. 242 and "Treason"
 18 U.S.C. 2381 to the Constitution of the United
 States of America. It is the responsibility of
 the United States Supreme Court to hold judges
 accountable for their personal conduct. By
 "Obstruction of justice" 18 U.S.C. 1503 the United
 States Supreme Court is aiding and abetting
 this "Treason" by simply dismissing the case.
 This "Common Practice" allows judges and
 attorneys to violate the American People
 at will knowing they will not be held
 accountable.

Chief Justice, John Alexander Roberts, Jr.
 is the "Kingpin" of the "Organized crime"

of BAR Association attorneys present in every Court of our Nation. This has been well demonstrated in the case of "Election Fraud" of the 2020 Election. Every Judge (BAR Attorney) refused to hear evidence of "Voter Fraud", they united in conspiracy to allow an attorney to become an illegitimate President to institute a Communist administration whereby BAR attorneys become the "Noble Class" above the American People. When there are 200,000 more votes than there are registered voters, when signatures are not verified, when voters are turned away because the record shows they voted by absentee ballot when they did not and it is shown the machines counting the votes are altered to change votes, these constitute "Voter Fraud". By Judges and Justices (BAR Attorneys) refusing to hear evidence and simply dismissing the case, BAR Attorneys are able to maintain power by fraudulently claiming there is no "Voter Fraud". This denial of due course of justice based in fraud is carried out in "Admiralty Jurisdiction" where a Judge or Justice conducts the court based upon their personal opinion and not the rule of law. This corruption has been allowed and supported by the Supreme Court.

How do we fix this problem? The key to reestablishing justice was created by our forefathers when they ratified the Original 13th Amendment. Our current day "Constitution of the United States of America" is "Incomplete". The Original 13th Amendment must be restored to secure our posterity to ourselves and all future generations of our Nation. BAR attorneys argue it is not necessary because of the "Title of Nobility" clauses present, but in truth it is necessary to prohibit "Foreign Agents" of a "Foreign Power" to unlawfully seize our "Public Offices". The current state of our public offices prove its necessity. To fix this problem we have two options as follows:

1) Abolish all BAR Associations within the United States of America as a "Foreign Power" whose "Foreign Agents" are conspiring against our Constitution;

Should the government refuse this Constitutional Mandate then we have to do the second option:

2) Remove all BAR attorneys from every "Public Office" within the United States of America

and charge them with "Treason" 18 U.S.C. 2381 to the "Constitution of the United States of America".

To restore our Nation to its greatness we must remove those in our "Public Offices" who conspire against our rights. The most important of these is our Courts. As "Foreign Agents" of a "Foreign Power" no BAR Attorney has any authority to petition, litigate, argue or adjudicate any case in our "Common Law Courts". In the Courts of the United States of America only a "Sovereign" has the authority to sign a "Complaint" that gives a court personal and subject matter jurisdiction to hear and determine the issues of the "Complaint". Court is where the "Sovereign" goes to be compensated for his/her injuries, civil for damages and criminal for prosecution of those who caused his/her injuries. We, the people of the United States, created our courts for each and every one of us to be protected by law and secure in the right to seek justice. This was the intent of our forefathers to serve and protect all generations to come. It is time to restore "Common Law" in all our "Courts". Every Native American, born within the United States, is "Sovereign" over government.

BAR Attorneys have made the Courts of the United States of America a place to be feared by the American People. Justice is denied and those who seek it are "terrorized". BAR Attorneys are "false witnesses" in support of "false reports" who fraudulently claim the authority to hold "Sovereigns" accountable to their codes, rules and regulations. Today's Courts are all "Fraud". Without a "Complaint", signed by an injured party (Sovereign) no Court has any authority over any Sovereign, except in a prosecution for the crime of murder. BAR Attorneys have corrupted our Courts to be a place of intimidation, persecution, terrorism and character assassination. BAR Attorneys have seized our Courts by taking the position of "God's Judge" under fraudulent pretenses and then corrupted it by operating the Court as their personal domain. Every Judge must sign an "Oath of Office" to support the "Constitution of the United States of America", all have "lied" and caused our Courts to fail in their "Chief Design". We, the people of the United States, must reform our Courts and reestablish justice as a guiding principle of our Nation. All BAR Attorneys must be stripped of their power over the American People and held accountable for their personal conduct.

BAR Attorneys have not only conspired to corrupt our Courts, they have also conspired to turn the American People against our "Peace Officers". As the former Director of the CIA, former President George H W Bush unveiled a massive scheme to fight the "War on Drugs", this was the model utilized for all corrupt "Drug Task Forces" to come. These small town "Peace Officers" would dawn military tactical gear and conduct assaults on the people of Kansas City, Missouri. They would leave their lawful jurisdictions to come into Kansas City kick in doors, seize private property, terrorize the community, then run back to their small towns and hide out. Because their title of "Blue Springs Police Officer" gave them no authority in Kansas City, BAR Attorneys coined the term "Law Enforcement Officer" fraudulently claiming this title gave them "multi-jurisdictional authority". Of course BAR Attorney Judges refused to hear facts, law and evidence of their criminal conduct. A BAR Attorney told me why, he said, "The Drug Task Force generates thousands of cases for lawyers in Kansas City none of them are going to prove them illegal for you." I fired my attorney and have not hired one since that day. Never have so many

been violated by the "Organized Crime" of the "Jackson County Drug Enforcement Task Force, Inc." a private corporation illegally using Police Powers of Missouri. This shows us it is acceptable for "Law Enforcement Officers" to break the law as long as BAR attorneys can profit from their crime.

In the United States of America our "Peace Officers" are U.S. Marshalls, State Police, Sheriff, Deputy and city Police Officer all others are Fraudulent. There are no lawful "Law Enforcement Officers" anywhere in the United States of America. By BAR Attorneys creating the fraudulent term of "Law Enforcement Officer", Federal agents who have no police powers started claiming they are "Law Enforcement Officers" thus unlawfully seizing police powers reserved to the States. The FBI, CIA, DEA, ICE, ATF and OSHA are always backed up by local authority because on their own they have no authority to use police powers. Because BAR Attorneys refuse to challenge the lawful status of these imposter "Law Enforcement Officers" every Defendant of every case involving them have been deprived of their 5th Amendment Right to due process of law and rail roaded to prison by "Conspiracy against rights" 18 U.S.C. 241.

The cooperation of dirty officers and BAR Attorneys is clear for all to see. Once arrested a Defendant is charged by BAR Attorneys, one of their favorite ploys is the charge of "Conspiracy". Once charged the conspirators are put in jail together so they can communicate. Then BAR attorneys fraudulently claiming to represent the interests of the Defendants begin the process of obtaining "guilty pleas". If the Defendants will not take the deal for 5 to 10 years in prison, one of the Defendants is sent to trial, of course he is found guilty and sentenced to 20 years in prison. The next day all the rest of the Defendants take the deal. This is "Organized Crime" working in concert of "Prosecutorial Misconduct" by the Judge, prosecutor and defense attorney to intimidate, coerce, terrorize and extort a "Guilty Plea" from the Defendants. This is playing out before our eyes with the January 6th "Insurrectionists" who allegedly conspired to storm the Capital to kill all our elected Representatives. Yet no weapons were used and no Representative was harmed. Without the cooperation of BAR Attorney Judges this scheme would fail. But when the Judge, Prosecutor and Defense work in concert, with malice, intent and knowledge to make a Defendant over whelmed to the

point of giving up, justice is denied and corruption has won. Through this "Organized Crime Conspiracy" over 90% of those incarcerated in Federal Prison plead guilty and took the deal.

Our forefathers intended for us to be tried by a "jury of peers", those who know you personally. The theory being if 12 people who know you believe you have done wrong they can turn you over to the Court for punishment. BAR Attorneys hate this system, because they can not lie to people who know you, their lies are not believed. Instead BAR Attorney Judges only allow a "jury Trial" by 12 people who do not know the defendant, today's "Jury Trials" are nothing more than character assassinations. BAR Attorney Prosecutors are experts of making 12 people of a jury (who don't know you) believe that you are the lowest thing on the earth and they must find you guilty to protect society. Depending upon how the trial is going defense attorneys work up to the moment the jury renders a finding to get the defendant to plead guilty and agree to years in prison. What would you do? Plead guilty and take 5 years or allow the jury to decide your guilt and face 15 years at sentencing. This is the choice Americans are given every day in

our Courts of law through the extortion of BAR Attorneys.

Every BAR Attorney who enters a Court of the United States has two responsibilities. The first is to establish the court has jurisdiction to hear the case. The second is to present the injured party, who signed the "Complaint," who will testify to the charges of the indictment. These are the foundation of fraud in all the Courts of the United States. By BAR Attorney Prosecutors entering Court without a signed Complaint, all have committed the crime of "Fraud on the Court" by fraudulently claiming "Standing" to be in Court. Rule 3 of the "Federal Rules of Criminal Procedure" requires a signed Complaint. 95% of all those incarcerated have no signed Complaint against them. The "Complaint" gives the Court personal and subject matter jurisdiction over you, without a Complaint the Court has no authority to proceed, to proceed without a Complaint is an act of "Treason" by the BAR Attorney Judge. Every Defendant prosecuted without a Complaint was denied their 5th Amendment Right to due process of law and are illegally incarcerated by BAR Attorneys acting in "Prosecutorial Misconduct". To get around the

requirement of an injured party BAR Attorneys fraudulently claim they are representing the UNITED STATES or STATE in clear "fraud on the Court" in violation of the "Logan Act". "Foreign Agents" of a "Foreign Power" fraudulently claim they are representing a "Corporation" that can not speak, write, contract or be represented by a BAR Attorney. All prosecutions in the name of the UNITED STATES or STATE are "Fraud on the Court".

How can we, the people of the United States of America, beat BAR Attorneys when they are acting in concert against us? I believe the best way to beat a "Tory" is to take away their power. This is a simple process, we reprint the "Original 13th Amendment" to our "Constitution of the United States of America". We, the people of the United States of America, must pressure government to "Abolish" all "BAR Associations" within the United States of America. Then we sue every attorney who has caused us injury by civil process for damages or sign "Complaints" to prosecute them for their crimes. By making attorneys accountable for their crimes they will cease to violate us and become powerless over the

American People. When we go to Court we must decline all contracts, thus removing "Admiralty Jurisdiction" and demand a copy of the "Complaint" as well as the right to cross examine our accuser, the injured party who signed a complaint against you. All Courts of the United States of America are "Common Law Courts". If a "Complaint" and "Injured party" are not presented, you must inform the judge he lacks "personal and subject matter jurisdiction" and to proceed is an act of "Treason". Then ask the judge, "Do you wish to proceed?" Should the judge proceed, it is the duty of the U.S. Marshall to arrest and charge the judge, prosecutor and defense attorney with the crimes of "Conspiracy against rights" 18 U.S.C. 241, "Deprivation of rights under color of law" 18 U.S.C. 242 and "Treason" 18 U.S.C. 2381. Refusal of U.S. Marshalls to arrest and prosecute these crimes is "Misprison of Treason" 18 U.S.C. 2382 and "Misprison of Felonies" 18 U.S.C. 4. In this way we will force attorneys back within the limitations of our law and force our "Public Servants" to serve and protect us.

The United States Judicial Branch has become a Racketeering Organized Crime Operation

As defined in R.I.C.O. 18 U.S.C. 1951, (a)(b)(1) and (2). To truly understand the extent of corruption of our Judicial System by BAR Attorneys we must examine the "Grand Jury Process". Today's "Grand Juries" have become "rubber stamp" entities engaged in "Conspiracy against rights" and "Fraud". Every member of a Grand Jury who issues an indictment without a signed Complaint must be arrested and charged with their crimes. Today's Grand Juries issue "Indictments", without a signed "Complaint" to start illegal prosecution without due process of law in violation of the 5th Amendment. BAR Attorneys make up these "Grand Juries" and issue all "Indictment" sought by any BAR Attorney. A Grand Jury only has authority to examine the allegations of a signed complaint and hear testimony of the injured party who signed it. Where there is no complaint there is no authority of a Grand Jury to issue an Indictment. Grand Juries allow agents of the Federal Government to lie to them and base an "Indictment" on their perjured testimony. The most widely utilized agents are experts of lies and deception known as the FBI. Without a Complaint all Indictments are "Fraud on the Court", unlawfully forcing Americans to defend themselves against their "Fraud", at a profit to BAR Attorneys.

Thus far I have shown you how BAR Attorneys have violated our Constitution, corrupted our government, courts and Grand Juries for their profit. Now it is necessary to examine other organized crime where BAR Attorneys conspire with other professionals of our society to gain and maintain power over the American People. The first of these are our "Bankers" and "Financial Institutions". When a "Native American" is born, he/she is established as a "Corporation" and an asset of the corporate UNITED STATES, INC. this is done by capitalizing your name, in my case DENNY R HARDIN. Proof of this is your Social Security Card. Notice your name is capitalized and the 9 digit number establishes your right to engage in commerce. But when you turn over your Social Security Card notice there is another number. That is your account number in the Federal Reserve Bank of one million dollars deposited at "Birth" when you were established as a "Corporation". This is a private account created for your benefit, you are the "Beneficiary". Commercial Bankers and the Presidents of the Federal Reserve Banks have conspired to keep these accounts secret, to limit access and control the assets of the American People.

Since 1929 and the crash of the Banking System no "Bank" is allowed to "Risk the deposits of their depositors". Basically this means they can not make "loans". This is the "Fraud" of all "Bankers" that the "Promissory Note" they have you sign is a "loan" that you are required to repay. Your signature allows the Banker to process the promissory note through your Federal Reserve Bank Account where they receive 100% of the value plus interest. When the "Promissory Note" is sent through the machine, it is stamped on the reverse side that states "Non Redeemable", meaning it has been paid and can not be processed again. This method of commerce is utilized on all "loans", personal loans, house loans, car loans, student loans and credit card loans. These are all paid by our signature, to collect payments on these fraudulent loans is "Bank Fraud". This corrupt system is all fraud by Bankers when we supposedly default on their fraudulent loans, they sell a copy of the "Promissory Note" to a BAR Attorney for pennies on the dollar who begins "Civil Action" to collect the fraudulent "debt". It is impossible to put a "Native American" in "Debt" to a Corporation or Banker because their promissory notes are paid in full by their signature. Presidents of the Federal Reserve Banks, Commercial Bankers and BAR Attorneys

have created this "Organized Crime System" to keep Native Americans in debt and deny them access to their private accounts.

One simple step will defeat this fraud in Court everytime. To accomplish this you must demand the "Original Blue Ink Signed Promissory Note" be produced in Court. BAR Attorneys act upon copies, because for the Original to be produced will prove "fraud" by the "Banker" to collect a paid "Debt". The stamp of "Non Redeemable" proves "Conspiracy of Organized Crime" as stated in RICO 18 U.S.C. 1951(a)(b)(1) and (2) by the "Banker" and "BAR Attorney". The law of Commerce (UCC Regulations) says the "Original Promissory Note" must be produced upon request, a Judge only has authority to judge the original note and can not rely on a copy if Challenged. All you have to say is the "Copy" is a "Forgery" or it may have been altered, so you need the original to compare it to. This simple act will defeat all BAR Attorneys in all "Civil Actions" to collect "Fraudulent Debt". Then you should sue your "Banker" for "Defamation of Character" for unlawful collection of a "fraudulent debt". Sue the BAR Attorney for liable and Slander for fraudulently claiming you owe a debt. In this way we can restore our right to access our accounts in the "Federal Reserve

"Banks", remove the ability of Commercial Banks to defraud us and make our financial institutions operate as they were lawfully meant to to process our promissory notes.

This is also the reason for the division of our society because Bankers determine who can have "Credit" and who is denied. This is clearly "Discrimination" because all are equal in ownership of their private accounts in the "Federal Reserve Banks". By allowing some to prosper and denial of prosperity to others "Bankers" have exhalted themselves as king makers that can make or break you. This "Common Practice" has many negative effects on our society. Homelessness is a direct result when a person can buy a home with their signature. Some are allowed because they can repay the fraudulent loan payments, while others are forced to live on the streets. Businesses are allowed to grow or fail based upon the determination of access to funds by Bankers. By Bankers and BAR Attorneys engaging in conspiracy against rights, they have deprived the American People their God given right to presue happiness, because they are focused on paying their debts created through fraud and enforced by BAR Attorney Judges in Court.

Now lets examine the conspiracy between Doctors and BAR Attorneys. Big Pharma has made itself exempt from lawsuits for injuries and deaths caused by their "Vaccines". Big Pharma has received Billions of our tax dollars in the fight against Covid 19 created by China as a means of attacking the world by biological warfare. Doctors interested in treating their patients have shown us Covid 19 can be defeated without vaccines, but this is not profitable to Big Pharma, so all these proven methods are discouraged and outlawed by medical personnel bought by Big Pharma. Hospitals and Doctors who own them are paid more for patients with Covid 19 than those with other problems. Autopsy of Covid 19 patients have been banned by the conspirator of Big Pharma to conceal the true cause of death, which is medical malpractice. Because it would be determined that the patient died of systems that could be treated and were not Doctors would be held accountable and stripped of their licenses to practice medicine. Big Pharma needed deaths to justify receiving billions to fight Covid 19. For the first time in our history Health providers have gain power over the American People and have abused that authority. Big Pharma must be held accountable for those they killed.

The conspiracies of BAR attorneys touch every aspect of our lives. The most damaging of these is our news media. America hating homosexuals; Anderson Cooper, Don Lemon, Rachel Maddow among others spew their hate and division that is supported by a minority of Americans. These toxic views are spread throughout our society by Big Tech as truth and Big Tech censors all opposing views. Big Tech has divided our Nation into two factions, those who believe their trash and those who don't. Because BAR attorneys protect these demonic individuals with the claim of freedom of the press, we have come to understand we must just accept their lies as a part of life knowing they can not be held accountable for the crimes they commit. The biggest lie was Trump colluded with the Russians, for years they spouted this lie and there is no accountability for this "Conspiracy to defraud the American People". The media sets the talking points and all Democrats fall in lock step to support the narrative. When their lies about Russia were exposed they changed the big lie to the election was stolen. We all know the election was stolen and Biden is not a lawful President. By spouting this as a lie the media is trying to change our minds and failing.

These false narratives are all controlled by BAR Attorneys behind the scenes who control the media with support of BigTech. I learned this lesson in the 1990s when I was fighting the "Organized Crime" of the "Jackson County Drug Enforcement Task Force, Inc." I took all the facts, law and evidence to the Kansas City Star. The Star took it to their BAR Attorneys who informed them if they published the story they would be sued. The lesson was learned all media is controlled by BAR Attorneys that the threat of being sued is enough to stop the truth and continue to spread the lies of BAR Attorneys. Whether Democrat or Republican BAR Attorneys keep us focused on the arguments rather than looking at the corruption of BAR Associations that control our media through disinformation. Joe Scarborough is one of the leaders of the BAR Attorneys by setting the daily chain of disinformation, on "Morning Joe", that is followed throughout the day by all the other swindlers of MSNBC. BAR Attorneys of other networks chime the same narratives often word for word to make the American People believe their lies, their theory being if so many are saying it it must be true.

The media is utilized to divide the American People based upon what we choose to believe. But our children are being indoctrinated by the School Boards who are using the BAR Attorneys of the Department of Justice to silence the voice of opposition. Marvic Garland's son in law is profiting from "Critical Race Theory" (CRT) and is being promoted by government across our Nation. By teachers teaching our children to hate each other based upon the color of their skin, the division of our Nation has been instilled in the venerable of our society. This is done to promote Communism in our society by showing our kids they must accept what teachers teach and not question their authority. I believe every teacher who teaches CRT should be fired, put in a national data base and never allowed to teach again. "Teacher" is a position of trust, respected by all, but when that trust is violated and abused it is our duty to remove that individual to protect our children. Perhaps our Education System is too far gone and we should fire all teachers and start over with teachers who love our Nation and will instill every child has the opportunity to succeed. As a parent it is your job to teach your children right from wrong, not teachers.

This brings us to the heart of the problem, we have been manipulated to believe America is a "Racist Nation". BAR Attorneys play the race card every time they are losing the argument. This is the biggest divide in our Nation because the object of hate is determined by the color of their skin. I agree there are Whites who hate Blacks and there are Blacks who hate Whites. But they are a very small minority of our society. The majority of Americans believe there good and bad in all races. I learned long ago that if I hate one thing I can not love anything, because love and hate can not exist in the same heart. The key to defeating racism is to not join in the hate. If all people treated eachother the way they treat those of their own race, racism would no longer be used to divide us. All good parents teach their children manners and respect for others, but somewhere along the way we started reserving that treatment to those of our own race, when manners should be used in all situations regardless of who we are dealing with. My Bible says it clearly, do unto others as you would have them do unto you.

To end this segment it is necessary to clarify that grouping all BAR Attorneys as bad is wrong. Just like it is wrong to judge all White, Black and Brown people as bad for the bad conduct of the few. The generalization of anything or anybody is the breeding ground of hate, once we accept that a thing or group is bad we can find many situations to enforce that belief. It is hard to change our thinking because it has taken a lifetime to establish what we believe. When we give into our preconceived notions of others we lose the ability to be objective and see the truth. We must stop believing the hate of others and draw our own conclusions based upon our beliefs. In our Nation, we live by the belief of "In God we trust." all who trust God can not hate any of His/Her creation. We need to get back to the time, when Americans trusted each other and America was a great Nation. Once BAR Attorneys were seen in their true light as the sinister individuals they are but today they are able to fool us into believing they have our best interest at heart. The latest ploy of BAR Attorneys is to prop up Mike Pence a BAR Attorney as an alternative to Trump. We must keep our eye on the ball and not trust

any "Foreign Agent" of a "Foreign Power" to lead us out of the darkness and into the light. My conclusions of BAR Attorneys is based upon many years of hard knocks that show a coordinated effort to deny us that which our Constitution requires. All BAR Attorneys have violated our Constitution by accepting the "Title of Nobility" of "Esquire". In my opinion the facts, law and evidence have convinced me, none of them can be trusted. I am human and have my faults like all others but can not change my thinking about BAR Attorneys when they are reinforced time after time by bad conduct of their profession. "Lawyer" is the only profession condemned by my Lord and Savior Jesus Christ.

Since you have read this and given me the opportunity to inform you of my knowledge I ask you to forward it to all your friends and family and allow them to draw their own conclusions. We the American People must start trusting each other again and stand united against the evil of our government. Evil can only continue until good men condemn their conduct and expose the truth.

There are many among us who know the truth and are helping each other as best as they can. When the bad conduct is widely known it can no longer prevail because too many know the truth. Where it goes from here, I do not know, I trust God that it will reach all it is meant to and God's will will be done.

The foregoing is the truth, the whole truth and nothing but the truth to the best of my knowledge and ability. So help me God.

Signed by a living man
