**“Bill of Attainder”**

**COMES NOW**, denny ray hardin, sovereign, Tribunal to enforce “Remonstrance for Dismissal” lawfully served by “Registered Mail” on April 4th, 2024 in this cause of action and to inform the Honorable Brian Kemp, Governor of the State of Georgia, as the “Chief Law Enforcement Officer” that “Treason” 18 U.S.C. 2381 is being conducted in the SUPERIOR COURT OF FULTON COUNTY STATE OF GEORGIA by Fulton

County Superior Court Judge Scott McAfee and Fulton County District Attorney Fani Willis who have failed to establish “personal and subject matter jurisdiction” to prosecute the “sovereign” donald john trump and to date has refused to dismiss the case in defiance of a “Court Order”. The “Remonstrance for Dismissal” is enrolled in the Common Law Court of Record at <https://Americansrepublicparty.org> entitled “Review of Trump’s Georgia Case” Fulton County District Attorney Fani Willis was given three days to publically produce the “Complaint” signed by an “injured party” that was presented to the “Grand Jury” for issuance of “Indictment” of donald john trump. “Maxim of God’s Law: “Oppose beginnings. Oppose a thing in its inception in order to have any success against it.”[529] “Proofs ought to be evident, (that is) clear and easily understood. [538] The proof of this cause of action is Fani Willis did not produce a “Complaint” because she was the person who petitioned the “Grand Jury” not an “Injured Party” in clear “Perjury before the Grand Jury” 18 U.S.C. 1621 and 1623 fraudulently claiming “Injured Party” status, therefore her whole case is “Fraud” 18 U.S.C. 1001”Part fraud is all fraud.” with malicious intent to cause harm to the “sovereign” donald john trump. “It is the duty of justices to administer justice to everyone pleading before them.” Without the “Complaint” signed by an “Injured Party”, Judge Scott McAfee’s “legal duty” was to “Dismiss” the cause of action for “Lack of Jurisdiction”, his failure to perform his “legal duty” establishes “Insurrection and Rebellion” 18 U.S.C. 2383 to the 5<sup>th</sup> Amendment Right to “due process of law”. Thus establishing he is proceeding in this cause of action without “personal and subject matter jurisdiction” in “Treason” 18 U.S.C. 2381. This conduct establishes “Conspiracy against rights” 18 U.S.C.241 and Deprivation of rights

under color of law” 18 U.S.C. 242 to due process of law required by the 5<sup>th</sup> Amendment. Therefore, Tribunal has no choice but to file a “Bill of Attainder” to remove Fulton County Superior Court Judge Scott McAfee and Fulton County District Attorney Fani Willis from “Public Office” in the interest of “Public Safety”. “Whoever is once bad is presumed to be so always in the same kind of affair.”

Black’s Law Dictionary, Eighth Edition Page 137. – attainder “1. At common law, the act of extinguishing a person’s civil rights when that person is sentenced to death or declared an outlaw for committing a felony or treason.” “The word attainder is derived from the Latin term *attinctus*, signifying stained or polluted and includes in its meaning all those disabilities which flow from a capital sentence. On the attainder, the defendant is disqualified to be a witness in any court, he can bring no action, nor perform any of the legal functions which before he was admitted to discharge; he is, in short, regarded as dead in law.”

### **“Sovereignty”**

In this Common Law Court of Record, it was determined donald john trump is “sovereign” entitled to all rights, privileges and immunities of every other “sovereign” of the United States of America. “Sovereignty” is established by Article IV, Section 4 of our “Constitution of the United States of America” as follows:

**Article IV,**

**Section 4. Republican form of government guaranteed.** – The United States shall guarantee to every state in this Union a republican form of government,...

**Note:** republican is an adjective describing a “Republic”.

Republic, n. “A system of government in which the people hold sovereign power and elect representatives that exercise that power.”

Failure of a holder, of a “Public Office”, to exercise his “legal duty” establishes neglect, negligence by breach of duty, gross negligence and in this cause criminal negligence, creating liability, personal liability, remedial liability and penal liability. Based upon these “breach of contract” Tribunal has the power to issue a “Bill of Attainder” to remove Fulton County Superior Court Judge Scott McAfee and Fulton County District Attorney Fani Willis from “Public Office” for the following crimes:

“Treason” 18 U.S.C. 2381

“Conspiracy against rights” 18 U.S.C. 241

“Deprivation of rights under color of law” 18 U.S.C. 242

Violations of the 5<sup>th</sup> Amendment in breach of employment contract (Oath of office).

“Insurrection and Rebellion” 18 U.S.C. 2383

“Fraud” 18 U.S.C. 1001

“Perjury” 18 U.S.C. 1621 and 1623.

Tribunal as a “sovereign” and a member of the “Body Politic” of “We, the people” exercises his authority to issue a “Bill of Attainder” secured by the 10<sup>th</sup> Amendment:

## **Amendment X**

“The powers not delegated to the United States by the constitution, nor prohibited by it to the states, are reserved to the states respectively, or to the people.”

## **Article I, Section 9, Clause 3**

“No bill of attainder or ex post facto law shall be passed.”

## **Article I, Section 10, Clause 1**

“No state shall... pass any bill of attainder or ex post facto law...”

Therefore, the right to issue a “bill of attainder” is reserved to the people to insure their government operates properly by providing “protection of law” that secure “Public Safety” of all “sovereigns” of the United States of America. The people have the right to remove any “Public Servant” who refuses to act within their “legal duty” and enforce rights, privileges and immunities of “sovereigns” within the United States of America.
