First Amendment Petition

To Restore Our

“Constitutional Republic”

Comes Now, We the sovereign people, through the “Sovereign Plaintiff”
denny ray hardin, to restore the Constitutional Republic of the United States of
America that has been all but destroyed by the Leaders of Democracy.

Jurisdiction

This cause of action is being presented to President Donald John Trump,
“Magistrate of a Republic” and “Commander-In-Chief” of our Military, who as
“President of the United States of America” has the Constitutional Duty, under
Article II, Section 3, “..., he shall take Care the Laws are faithfully executed and
shall Commission all the Officers of the United States.” All the Officers of the
United States have an “Oath of Office” required by Article VI, to support the
“Constitution for the United States of America” (1787) and our “Bill of Rights”
(1789). Failure to support the Constitution and Bill of Rights is a violation of that
Officer’s “Oath of Office” that requires his removal from Public Office.

Authority

Black’s Law Dictionary, Eighth Edition, Page 970

**magistrate “1. The highest-ranking official in a government, such as a king in
a monarchy, the president in a republic or the governor in a state.”**

There are 51”Magistrates” in the United States of America, they are the
President and Governors of each and every State of the Union. Donald John Trump
holds the distinction of “Chief Magistrate” the highest ranking official of

government. This title gives him executive Power over all members of Government within the United States of America. This Common Law is above contestation by any Officer of government within the United States of America. The Supreme Leader of the United States of America is Donald John Trump he has all the power delegated to him by our Constitution, he has authority over all officers of the Executive, Legislative and Judicial Branches, by power to decommission them and refer them to the Department Of Justice to be prosecuted for their crimes. Donald John Trump is the “Chief Law Enforcement Officer” of the United States of America and all Officers, State and Federal, are under his authority.

Donald John Trump, “Magistrate” (Judge) holds all “Police Powers” including but not limited to issuance of “Warrants for Arrest and Seizure” issued upon “Probable Cause” of a “Complaint” signed by an injured party under penalty of perjury. He has the Common Law authority to issue “Decrees” (Orders) to any member of Government within the United States of America. The “Decree” must be complied with within the time frame given in the order. Failure to comply constitutes “Insurrection” grounds for Removal from Public Office, by decommission of the Public Officer for cause. The “Magistrate” has the power to hold Court in a “Common Law Court of Record of We the people of the United States of America” and establish justice by “Judgment”. The Magistrate” has the power to refer criminal charges to the Department of Justice for Prosecution and to Congress for punishment of treason. This authority gives Donald John Trump Jurisdiction to hear this cause of action and render just judgment that establishes justice. This jurisdiction must be accepted by Donald John Trump based upon Supreme Court Precedence as follows:

“We [Judges] have no more right to decline the exercise of jurisdiction which is given, than to usurp that which is not given. The one or the other would be treason to the Constitution.” U.S. v. Will, 449 U.S. 200, 216, 101 S.Ct. 471, 66L.Ed.2d, 392, 406 (1980); COHENS v. VIRGINIA 19 U.S. 264,404, 5L.Ed. 257, 6 Wheat, 264 (1821).

Rights of Sovereign Plaintiff

As the “Sovereign Plaintiff”, denny ray hardin has the authority under the 1st Amendment , “...to petition government for the redress of grievances.” This “Constitutional Right” is shared by all sovereigns to hold government officials accountable for their violations of Constitutional Mandates and the laws of the United States of America. Sovereign Plaintiff has all rights, privileges and immunities given by God, secured in the “Constitution for the United States of America” and reserved under UCC1-308.

Standing

As a “Sovereign Plaintiff” denny ray hardin has had his 1st, 4th, 5th, 6th and 8th Amendment Rights violated and has suffered greatly at the hands of public officials acting with malicious intent to engage in treason against the “Constitution for the United States of America”. As a member of the Body Politic of We the People who has suffered injury to his person and estate by criminal conduct of

government denny ray hardin has standing to bring this cause of action before the Magistrate for due process of law.

Remonstrance

Black's Law Dictionary, Eighth Edition, Page 1321

remonstrance, n. 1. A presentation of reasons for opposition or grievance. 2. A formal document stating reasons for opposition or grievance. 3. A formal protest against governmental policy, actions, or officials. – remonstrate, vb.

This “Formal Petition” is brought before Donald John Trump, Magistrate to correct the wrongs of the past and enforce the “Constitution for the United States of America”(1787) in all “Public Offices”. The Defendants have conspired in treason to establish mob rule in our Constitutional Republic and destroyed the “Constitution for the United States of America”(1787) and replaced it with the fraudulent “Constitution of the United States of America” (1865). To correct this treason it is necessary to restore the Original “Constitution for the United States of America”(1787) that ended with the original 13th Amendment.

Original 13th Amendment

"If any citizen of the United States shall accept, claim, receive or retain any title of nobility or honour, or shall without the consent of Congress, accept and retain any present, pension, office or emolument of any kind whatever, from an emperor, king, prince or foreign power, such person shall cease to be a citizen of the United States, and shall be incapable of holding any office of trust or profit under them or either of them."

Fraudulent Constitution

The “Constitution of the United States of America” (1865) is a fraudulent document that lacks the original 13th Amendment passed, ratified and published in 1819. The 21st Amendment clearly shows the treason of Democracy to subvert the Constitution and repeal the original 13th Amendment without authority of law. The corporate government established at the end of the Civil War had no authority to remove a Constitutional Mandate without repeal. The 21st Amendment repealed the 18th Amendment and clearly shows the process necessary to lawfully remove a Constitutional Mandate. The lack of Repeal of the original 13th Amendment establishes it is still a Constitutional Mandate and lawfully binding on all “Public Offices” as a part of the Supreme Law of the Land.

ancient fact. A fact about a person, thing or event that existed or occurred a very long time ago, and about which no living person has firsthand knowledge. Also termed *fact in pais*.

Remedies Requested

1. Abolish the “Constitution of the United States of America” (1865) and restore the original “Constitution for the United States of America” (1787) ending with the Original 13th Amendment.
2. Order Congress to review the Amendments of the 1865 Constitution and ratify new Amendments by Two/Thirds majority to restore rights abolished. Rights are God given and secured in the “Bill of Rights” which is limitations placed on government to protect the rights, privileges and immunities of sovereigns.

BAR Associations

Democracy has created BAR Associations (British Accredited Registry) that issues “Titles of Nobility” of “Esquire” to its membership, prohibited by Article 1, Sections 9 and 10. The Democrat Party was established in 1828 by “British Loyalist” who conspired in treason to remove the Original 13th Amendment. The fraudulent replacement of the original 13th Amendment was ratified in 1865 as part of the “Reconstruction Amendments” 13th, 14th and 15th Amendments. These Amendments created the Democracy of “Mob Rule” by abolishing “Sovereignty” and creating “Citizens” all subject to the courts without rights, privileges or immunities. This is established by the “Hierarchy of Laws” as follows:

Sovereign

(Human Being) A being that is master of self; Operates under “God’s Law”; has the ability to create laws and constitutions for itself and corporations that it creates.

Citizen

A slave of the corporation to which it pledges; does not have rights; Only has privileges which are given to it by the corporation to which it pledges.

With the removal of the original 13th Amendment Democrats expanded their power by creating BAR Associations. It is common knowledge, foreign agents of the foreign state of BAR Associations, monopolized the courts of We the people and by a corrupt system of fake law (Codes, Rules, Regulations, Statutes and Ordinances) denied “Justice” to all “Citizens” of the UNITED STATES INC. Today the “Sovereignty” of We the people is mocked, condemned and prosecuted as “Domestic Terrorism” by those loyal to Democracy.

Remedy Requested

1. Order in compliance with the Original 13th Amendment all BAR Association members must be removed from all Public Offices within the United States of America.

Option

1. Abolish all BAR Associations within the United States of America, rescind all “Titles of Nobility” and kill the profession of “Attorney” as mob rule of Democracy.

Supreme Court

Case Number 1, of this “Common Law Court of Record of We the People of the United States of America” was lawfully served by Registered mail on the Magistrate Donald John Trump as follows:

“Petition For Certification of Law”

USPS Tracking: RC 055 740 426 US

Delivered May 22, 2025

“Attainder of Treason”

USPS Tracking: RC 055 740 488 US

Delivered October 2, 2025

In these “Commercial Instruments” the Magistrate Donald John Trump was informed of the lack of Jurisdiction and authority of law of the UNITED STATES

DISTRICT COURTS. The Supreme Court was challenged to establish these Courts' authority to conduct judicial process by certified law. Because the Supreme Court acquiesced, to the facts, law and evidence presented, by silence, these were admitted in this cause of action. Thus establishing the crime of treason in the Supreme Court giving rise to the "Attainder of Treason" seeking removal of all Supreme Court Justices as Outlaws, Tortfeasors and Traitors. To restore the "Constitutional Republic" requires the restoration of justice and accountability of all Public Officials to their violations of "Constitutional Mandates". God's law is clear, punishment to some, dread to all. To kill a snake you must chop off its head. The Supreme Court has become a Leader of Democracy, to allow BAR membership to violate the God given rights, privileges and immunities of sovereigns in the United States of America, of which I am one.

Remedy Requested

1. Order of termination and prosecution of all Supreme Court Justices for leading the mob of attorneys in the conspiracy of Democracy to violate sovereigns of the United States of America.

Note: There is no other option, God's Law is clear, "A person who is once bad is always presumed to be bad in the same kind of affair." [632]. The justices have clearly demonstrated their loyalty to Democracy by their refusal to act in the interests of We the people by stopping the corruption of the UNITED STATES DISTRICT COURTS.

UNITED STATES DISTRICT COURTS

Supreme Court Precedence:

"The United States District Court is not a true United States Court established under Article III of the Constitution to administer the judicial power of the United States therein conveyed. It is created by virtue of the sovereign congressional faculty, granted under 4, 3, of that instrument, of making all needful rules and regulations respecting the territory belonging to the United States. The resemblance of its jurisdiction to that of true United States courts in offering an opportunity to non-residents of resorting to a tribunal not subject to local influence, does not change its character as a mere territorial court." [Balzac v. Porto Rico, 258 U.S. 298, 43 S.Ct. 343 (1922) Emphasis added]

"The term 'District Court of the United States', as used in the rules, without an addition expressing a wider connotation, has its historic significance. It describes the Constitutional courts created under Article 3 of the Constitution. Courts of the Territories are legislative courts, properly speaking and are not District Courts of the United States. We have often held that vesting a territorial court with jurisdiction similar to that vested in the District Courts of the United States does not make it a District Court of the United States. Reynolds v. United States, 98 U.S. 145, 154, 25 L.ed 1041; The City of Panama, 101 U.S. 453, 460, 25 L.Ed 1061; In re Mills, 135 U.S. 263, 268, 10 S.Ct. 762, 34 L.Ed 107; McAllister v. United States, 141 U.S. 174, 182, 11 S.Ct. 949, 35 L.Ed 693; Stephens v. Cherokee Nation, 174 U.S. 445, 476, 477, 19 S.Ct. 722, 43 L.Ed 1041; Summers v. United States, 231 U.S. 92. 101, 102, 34 S.Ct. 38, 52 L.Ed3 137; United States v. Burroughs, 289 U.S. 159, 163,

53 S.Ct. 574, 77 L.Ed 1096. Not only did the promulgating order use the term District Courts of the United States in its historic and proper sense, but the omission of provision for application of the rules to the territorial courts and other courts mentioned in the authorizing act clearly shows the limitation that was intended." [Mookini v. U.S. 201, 58 S.Ct. 543 (1938)]

Remedy Requested

1. Order to abolish all UNITED STATES DISTRICT COURTS terminate and prosecute all Judges and Magistrates for treason of conducting judicial process without jurisdiction or authority of law.

Note: There is no other option, God's Law is clear, "Whoever is once bad is presumed to be so always in the same kind of affair." [768] The Judges and Magistrates as stewards have persecuted sovereigns by denial of God given rights, privileges and immunities in mock trials devoid of all judicial authority, jurisdiction and authority of law, to support "mob rule" of Democracy. God's Law is clear, "Deeds contain many things that are prohibited to be done." [67] and "What is done cannot be undone." [68].

UNITED STATES COURT OF APPEALS

These Courts only have jurisdiction to review the "Judgments" of the "District Courts of the United States" they have no jurisdiction to review any case from the UNITED STATES DISTRICT COURTS. These Judges have engaged in

treason by allowing judicial determination of fraudulent judgments of the UNITED STATES DISTRICT COURTS in support of mob rule of Democracy.

Remedy Requested

1. Order to all UNITED STATES COURTS OF APPEALS to review all criminal cases of the UNITED STATES DISTRICT COURTS and release all prisoners who have no injured party or “Complaint” signed by an injured party under penalty of perjury and complete this review within 30 days.

Note: “What is done cannot be undone.”[68] but “Justice” demands correction of the past miscarriages of justice by the mob rule of democracy, that establish the “Necessity” of “Public Safety” and “National Security”. God’s Law is clear, “Necessity makes lawful what is otherwise unlawful.” [279].

Option

1. Order the release of all prisoners whose case has no “Injured Party” or “Complaint” signed by an injured party under penalty of perjury within 30 days. Terminate all Judges of the UNITED STATES COURT OF APPEALS and prosecute them for their treason of participation in mob rule of Democracy.

Congress

In a “Constitutional Republic” We the people are a “Republican” Nation guaranteed by Article IV, Section 4 of the “Constitution for the United States of America” (1787). Nowhere in any of our founding documents is Democracy of mob rule authorized or established by law. All Democrats are traitors of our “Republic” who lie, cheat, steal and defraud We the people to create chaos in our

Public Offices. Democrats have used the filibuster to shut down our government services in a time of War to aid and abet our enemies and deny security of our homeland. By false narratives Democrats have created hate, racism and distrust of government to distract from their schemes to get rich while in Public Office. The Democracy of mob rule is incompatible with our morals, ethics and principles of a “Constitutional Republic” and must be eliminated from our Public Offices.

Remedies Requested

1. Order all Democrat members of Congress to resign within 3 days for treason or be arrested, prosecuted and subject to the death penalty. All death penalties imposed will be by public hanging.

Note: Congress is full of traitors, pirates and outlaws engaged in treason to our Constitutional Republic. God’s Law is clear, “In high treason no one can be an accessory but only a principal.” [147] To restore law and order there must be consequences to those who have done wrong.

2. Order to the Speaker of the House of Representatives to restore the Constitutional Article III “District Courts of the United States” to end the mob rule of the UNITED STATES DISTRICT COURTS.

3. Order to the Senate Majority Leader to end the “Filibuster” and conduct the business of the Senate by a “Simple Majority” of those present.

Note: With the removal of all Democrats from Congress, Democrats will claim a “Quorum” is not present to conduct the business of We the people. Therefore, the “Quorum” of Congress will be the Republican members of Congress that remain

and the “Republican Candidates”, of the last election, for the Public Office held by the Democrat who has resigned or been forcefully removed from Public Office.

States of the Union

The “Constitution for the United States of America” (1787) Article IV, Section 4, “The United States shall guarantee to every State in this Union a Republican Form of Government , and shall protect each of them from Invasion;...”.

Democrats have created mob rule of Democracy in our Constitutional Republic in clear acts of treason to our Constitution. By unlawful invasion of illegals Democrats have created “Sanctuary Cities” to house, aid and abet these criminals. Democrat Governors have publically rebelled against Federal Law and Agencies by solicitation of Insurrection and treason by paying protestors to wage war on “Immigration Customs Enforcement” who are lawfully tasked with removal of all illegals. Democrat Governors have issued Driver’s License to illegals that allow them to unlawfully vote in our Elections. These Democrat Governors have engaged in fraud, theft of public money and treason by operating mob rule of Democracy in our Constitutional Republic.

Remedies Requested

1. Order to all Democrat Governors to resign within three days for treason or be subject to arrest, prosecution and the death penalty for their crimes.

Note: With the removal of all Democrat Governors, the “Republican Candidate” of the last election will hold the Public Office of Governor until the next election.

2. Order to all Republican Governors to remove all Democrats from all Public Offices within their State within 30 days and replace them with the Republican Candidates from the last election for that Public Office.
